

Year 4 Homework September - Oct half term 2017

Each week you should read at home and have at least 2 reading dates written in your reading record.

You also need to practise your weekly spellings and to practise your times tables.

Then you choose one activity each week from the grid below. When you have completed it, cross it off. When you have a line of three, you can have a smiley. We look forward to seeing your tasks, either in your homework books, digitally, or as a model.

<p>Make a model of a castle. You can make the whole thing or a particular part, like the drawbridge or a tower. This is a good homework for the half term holiday!</p> <p>Challenge: Can you add labels to explain what each part is?</p>	<p>Complete a maths game on www.activelearnprimary.co.uk</p> <p>Then, in your homework book, write the name of the game and write down 5 questions with answers, similar to the ones you did in the game.</p>	<p>Design a knight's shield. It must have one line of symmetry down the middle.</p> <p>Challenge: Can you make it with two lines of symmetry?</p>
<p>Make up and draw a plan of your own castle.</p> <p>- Use a ruler! You must work out the perimeter of the castle.</p> <p>Challenge: Can you also work out the area?</p>	<p>Write a poem about a Castle. It could be how it looks now, or how it would have looked when people lived in it.</p>	<p>You will travel back in time to stay in a medieval castle, you may choose one modern day item to take with you. You must explain in detail what you would choose and why.</p> <p>Challenge: Can you describe some of the main differences of castle life?</p>
<p>Write an information (non-fiction) report about castles. It could be about the buildings, or about the people who lived in them. You'll have to do some research first, then write your report about the information you found out. This is a good homework for the half term holiday!</p>	<p>A group of two adults and two children are going to visit Conwy Castle.</p> <p>(Adults £7.95 Children £5.60)</p> <p>You must calculate the cost of the trip.</p> <p>Challenge: Can you also calculate the change from £30</p> <p>Can you do this for other attractions in Wales?</p>	<p>Act out someone being knighted by The Queen. You can find out about famous people who have been knighted and watch videos of this important ceremony. Either make a video of this, or explain what happens in your homework book.</p>
