

ANTURIAETHAU DAFYDD DRAIG

Dafydd Draig is our class mascot. His aim is to promote the use of the Welsh language outside of school.

Each weekend, the pupils in 4SB can volunteer to take Dafydd Draig home for the weekend to take him on an adventure. They will then have the opportunity to discuss the adventure with the class on Monday morning.

The volunteer will need to write a few sentences about the weekend and the Welsh that has been used during the adventure.

Whilst you are out on your adventures with Dafydd, please take a picture of him and our classmate and either print it or email it to Baldwins17@hwbmail.net. You can also send it via remind. I will print the picture in school to put in the book.

Dafydd loves being taken to all sorts of places e.g. to the park, for a walk, for a picnic or to meet relatives and friends.

It is possible to book in advance to take Dafydd home if you have somewhere special you would like to take him, or would like a little extra help with the Welsh before you take him.

Please take care of Dafydd, enjoy your adventures!

Mrs Baldwin
