

Flying High

This term's topic is Flying High.

Our trip to Manchester Airport is on Wednesday 10th January, please note we will be leaving school at 8.50am

We will be researching, designing, describing, making and testing things that fly like aeroplanes, rockets and parachutes. We will also be making our own eBooks.

Maths work will cover many topics, but we would be grateful for constant revision of times tables and also the accompanying \div facts.

Remember Maths games and extra reading books can be found on www.actielearnprimary.co.uk.

Children are encouraged to take their reading books home every night but it is important they bring them back the next day. We ask that reading diaries are signed once a week.

Homework will come home on a Friday and should be returned by Wednesday.

Copies of each term's homework grid are on our school webpage.

We use an app called 'Remind' for notices. Parents can see reminders and contact their class teacher via email or the free app.

Go to www.remind.com/join/4sbaldwin or use code @4sbaldwin

Or www.remind.com/join/4breakell or use code @4breakell

Remember to check dates on the school planner and weekly newsletters sent by email.

Many thanks, Miss Breakell, Mrs Baldwin and Miss Tommis
