

Welcome to Year 4

Our topic this term is **Castles and Dragons**.

We are looking forward to finding out about different types of castles, the famous castles of Wales as well as the origin of the Welsh flag. Lots of our Dragon work will be in Literacy based around the book 'How to train your Dragon' by Cressida Cowell. Feel free to bring your own copy into class.

We plan to have a Banquet too on Tuesday 21st November!

In science we will be testing suitable materials for building castles. Forest school activities are also being planned to support our topic work.

Maths work will cover many topics, but we would be grateful for constant revision of times tables and also the accompanying \div facts

e.g. $4 \times 3 = 12$ so $12 \div 3 = 4$

Children will need P.E. kits on Tuesdays (indoor) and Thursdays (outdoor).

Homework: Each week children can choose a homework from the homework grid. This must be returned every Wednesday. Children are encouraged to take their reading books home every night but it is important they bring them back the next day. We ask that reading diaries are signed once a week.

Classes will be using a free notice app called Remind where parents can see reminders and contact their class teacher. Signing up is easy. There are two ways to join your child's class, each class has a different code:

1 Go to www.remind.com/join/4sbaldwin for Mrs Baldwin's class 4SB

Or www.remind.com/join/4breakell for Miss Breakell's class 4B

and follow the directions.

2 Download the Remind app from the App Store or Google Play, sign up for an account with your email address, and when asked for a class code use:

@4sbaldwin for 4SB and **@4breakell** for 4B

We look forward to meeting you,

Mis Breakell and Mrs Baldwin
